### **ABOVE SECURITY NOMINATES GUY LANGEVIN AS GENERAL MANAGER**

**Montréal (Canada), June 19<sup>th</sup> 2008**—Above Security, a Canadian organization, delivering information security solutions, has the pleasure to announce the nomination of Mr. Guy Langevin as General Manager. The company will benefit from Mr. Langevin's executive level experience in several industries such as telecommunications, information systems, finance, distribution, aeronautic and biotechnology.

Mr. Langevin is an electric engineer graduated from Université Laval. He also obtained a master's degree in Science, with a major in Project Management from the Université du Québec à Montréal. He is a member of the Ordre des Ingénieurs du Québec and of the Fédération de l'Informatique du Québec. «This nomination will allow us to assure a constant leadership towards the achievement of our business objectives.» explains Mr. Marcel Dion, CGA, President of Above Security.

Mr Langevin claimed, for his part: «I am thrilled to join the Above Security team to achieve the development strategy. This organization has distinguished itself by offering its specialized solutions in information security on a planetary level. I am delighted to have the possibility of contributing to it ».

As the Vice-President for strategic consulting services at Above Security, Mr. Langevin's role was to make sure the projects were managed using the best practices and that the mandates were always performed with the customer's business objectives in mind. Mr. Langevin is Above Security's General Manager since June 1<sup>st</sup> 2008.
